

2025 Rising Stars

# Entrepreneur of the Year

Sponsored by:

## Congratulations to Our Finalists!

**Alisha Lalbeharie**

Alisha is an award-winning podiatrist and entrepreneur, founder of Foot Motion Podiatry and FMP Wellness. She integrates AI health screening into occupational health, advocating for foot care in workplace wellness. Her achievements include the Best Youth-Led Business Award 2024 and recognition in Inside Education's South Africa's Shining Stars 2024.

**Mitheel Ramdaw**

Mitheel transitioned from marketing to IT and AI, founding Delta0 and creating CV2JOBS, an AI job-matching platform. He mentors students through the Entrepreneurship Hub and Connect the Dots, pushing the boundaries of AI and software engineering.

**Liziwe Nompumza**

Liziwe is an attorney, entrepreneur, and founder of LA Nompumza Attorneys and Queendom Hair and Beauty. An alumna of the AWE and IWF mentorship programmes, she was recognised as one of The Feature Magazine's 50 Most Memorable Women in 2024.
