Graduate
School

Congratulations to Our Finalists!

Rutendo Gwese

Rutendo, a BCom International Supply Chain Management student at the IMM Graduate School, maintains an impressive GPA of 80%. Beyond academics, she has led all her group assignments, showing dedication, leadership, and a passion for supply chain excellence.

Gugu Nkala

With five to seven years in freight forwarding, Gugu started as an apprentice at Kuehne and Nagel and now works as a software technical representative at Easy Clear Software. She supports over 300 companies in streamlining customs clearance while furthering her studies at the IMM Graduate School.
